

Coach,

I hope your season is going well! I would like to extend an invitation to you and your team for a **FREE YOUTH BASKETBALL CLINIC** here at Stonehill College! Our clinic will be run by HEAD MEN'S BASKETBALL COACH DAVID MCLAUGHLIN. Coach McLaughlin has structured a clinic based on fundamentals and development for youth basketball players. The clinic will take place **Tuesday, February 16** beginning at **1:00 PM** and ending at **2:00 PM**. Stonehill Sports Camps has scheduled this clinic over February vacation to allow everyone to come.

As part of the free clinic we welcome any and all coaches to attend and watch as Coach McLaughlin, his staff and players run the kids through the drills that they work on each and every day. There will be an open question and answer period for all coaches and athletes at the end of the clinic.

Coach McLaughlin and his team are excited to get to know your players and help them improve their game! The clinic will be held in our Merkert Gymnasium where Coach McLaughlin and his Skyhawks practice and compete.

Players will get the opportunity to increase their basketball knowledge and have fun while doing it. Our clinic will offer several great benefits:

- Meet Coach McLaughlin, and the nationally ranked Skyhawk Men's team.
- Learn drills and fundamentals used by the Stonehill Basketball program
- Learn more about our summer camps from the coaches and players who run the daily operations and drills
  - Boys Basketball Day Camp: June 28-July 1
  - Boys Basketball Overnight Camp: July 19-July 22
- **2 FREE TICKETS** to the Stonehill vs. St. Anselm Basketball game at Merkert Gymnasium on Wednesday, February 17<sup>th</sup> @ 7:30

We look forward to seeing all of you here on **TUESDAY, FEBRUARY 16** at the FREE Basketball Clinic.

PLEASE **RSVP** by **FEBRUARY 12th**

Sincerely,
